

INTRODUCTION TO BIOLOGY

1.

Plants	Animals
- Manufacture their own food	- Cannot manufacture their own food
- Grow continuously throughout their life	- Stop growing when they reach maturity
- Slow in responding to stimuli	- Fast in responding to stimuli

2.

- Growth of the organism
- Movement of the organism
- Maintenance of metabolic activities

3.

- They grow
- They respire
- They have gaseous exchange
- They reproduce
- They excrete
- They respond to stimuli
- They have nutrition

4.

- They reproduce
- They grow
- They respond to stimuli
