# Purpose of the Presentation:

To mediate the amendments of CAPS Section 4: Grade 10 and 11 for implementation in 2020 as published in government gazette no : 42829

# Introduction

Teachers have complained about curriculum overload in Physical Sciences. The Diagnostic Report has also indicated that there is a lack of practical work being done in schools. The changes that are being introduced here are designed to address both these issues.

# Summary of the Amendments

- The number of formal tasks has been reduced in grades 10 and 11 from 7 to 6.
- The project has been removed in grades 10 and 11.
- The weighting of the experiments have been reduced from 40% to 20%
- The weighting of the control test has been increased from 20% to 50%

# Summary of the Amendments

- The weighting of the mid-year exam has been increased from 20% to 30%
- The process of moderation has been changed to include face-to-face moderation for experiments
