SOSI 2B

Le sosi ingezantsi ichaza izizathu zokubandakanyeka ko Mzantsi Afrika e Angola kwiminyaka yowe 1970s.

Ungenelelo lokuqala lwe SA eAngola lukhangeleka ngathi lwalusukela kwisidingo sokufumana nokukhusela okusemdleli wayo. Urhulumente wawubuchase kakhulu ubukomanisi ngelo xesha, njengoko uluvo 'itotal national strategy' ngokuchasene 'netotal onslaught' yobukomanisi yayingundoqo ukumisela umgaqonkqubo wezamazwe angaphandle. Ipolitiki zeSA ngokusingise kwi Afrika ngelo xesha zaziimpumelelo kwangaphambi kongenelelo lwe Angola ukuzenzela iindawo ezilikhushi, ngethemba ukuba zisenokuyikhusela iSA kwizigrogriso zobukomanisi ezazisiya zisanda. Ngaphezu koko, iSA yayisiya ikhulelwa yinkxalabo malunga noku njengoko iUSSR neCuba zazisiya ziyandisa inkxaso yazo kwi MPLA emva kobhukuqo lwamaPortuguese ngowe 1974. Ukubamaninzi kwamavukelambuso eSWAPO kumazantsi omda we Angola kwazibeka engozini nangakumbi izinto ezisemdleni weSA eSWA, njengoko iSWAPO yayilelinye lalona mahlakani makhulu eAfrika axhasa iMPLA. Zombini iMPLA neSWAPO zazibonwa njengabameli (proxies) be Soviet ngelixa lemfazwe iCold War.

Ngaphezu koko, iSA yabekwa phantsi koxinzelelo lolunye loluntu lwamazwe ngamazwe ukuba ingenelele eAngolo okokuqala. I-USA, njenge SA, yayichasene kakhulu nobukomanisi ze ngandlela ithile yakuxhasa ukungenelela kweSA. IFrance nayo yayinenkxalabo yayo. Ne-SA ukungangeni kakhulu kwayo yakubona kulithuba lokuba ingabi lutshaba kakhulu kurhulumente wase Angola, izisindisa kubutshaba eyayisele izenzele bona ne Mozambique. I-FNLA, UNITA namazwe athile ase Afrika nawehlabathi anjenge Zaire kwane Zambia enza izicelo ezifanayo. UMzantsi Afrika wathatha isigqibo sokuba kuya kuba semdleni wawo nowengingqi yawo ukungenelela kungquzulwano lwase Angola.

SOSI 2C

Esi sicutshulwa singezantsi sibonisa indlela iUnited States of America eyathi yaxhasa ngayo iUNITA ngelixa leMfazwe yobuKhaya eAngola.

Uthunyelozixhobo olukhulu lokuqala lwe Central Intelligence Agency (CIA) ngenqanwe kwi FNLA lwaba kweyeKhala 1975. Njenge Russia ne China, iUnited States yayibonelela ngoncedo kwicala elinye leMfazwe yobuKhaya ye Angola, ncedo olo lwalulukhulu kakhulu kunoncedo eyake yalunika ngelixa lomzabalazo owawuchasene nobukoloniyali bama Portuguese.

I-United States yayibandakanyeka ngokuthe ngqo kwimfazwe yobukhaya ngendlela eyayingena kufihlakala. Ngaphezu koqeqesho lwamabutho emfazwe eAngola, abasebenzi base US bahamba ngeenqwelomoya izihlandlo phakathi kwe Zaire ne Congo besenza uphando bekwanceda amabutho, kwaye iCIA yachitha ngaphezu kwezigididi zeedola kwinqubo yokuqesha amajoni. Kwaphuma iingxelo eziliqela kumaphephandaba ase US ezithi uninzi lwamagerila ase America ayesilwa neMPLA eAngola ukusuka kwibathwana ukuya kuma 300, zikwaxela ukuba asemaninzi asaqwetywayo nasaqeqeshwa eUnited States ukuze ayoncedisa. Kodwa uJohn Stockwell, intloko ye CIA's Angola task force, wathi inani lamajoni ase America athunyelwe eAngola angama 24 kuphela. I-CIA yayikwaxhasa ngemali ukuxhotyiswa kwamajoni ase Britain (alwa eAngola).

Emva koko uNobhala we United State, uHenry Kissinger, wazisa iSenate ukuba 'iCIA ayibandakanyeki' ekuqwetyweni kwamajoni athunyelwa eAngola. Kusetyenziswa oonondaba ababeqwetyiwe ukuba bamele inkonzo yeendaba engundoqo, iArhente (CIA) yabanako ukunika iingxelo ezibubuxoki kumazwe ngamazwe ngabacebisi bama Soviet eAngola. Elinye lamabali eCIA, elachazela icandelo leendaba nge UNITA, lalisithi ngama 20 amaRussia nama 35 amaCuba abanjiweyo. Elinye inqaku eliphekiweyo laliphazamisa izityholo ezingokuzuma kwamajoni ase Cuba eAngola; oku kwacaciswa ukuze kubandakanye ukubanjwa kwawo, ukutshutshiswa nokugwintwa kwawo.

UMBUZO 3: I-BLACK POWER MOVEMENT YABA NAFUTHE LINI KUMA-AMERICA ANTSUNDU KWIMINYAKA YOWE 1960s?

SOSI 3A

Esi sicutshulwa singezantsi sinika inkcaza ka Stokely Carmichael ngefilosofi yeBlack Power.

I-Black Power Movement yayiphume kwiCivil Rights Movement eyayiyindumasi kwiminyaka yowe 1950s neyowe 1960s. Nangani yayingengombutho usesikweni, iBlack Power Movement yaba kukuguquka kwezinto kubudlelane phakathi kwabantsundu nabamhlophe eUnited States nangendlela abantsundu ababezibona ngayo. Lo mbutho abanye bawamkela njengento elungileyo nomkhosi ophakama kwangexesha ojolise ekuncedeni abantsundu balingane nabamhlophe, kodwa abanye babeyicaphukela besithi ngumbutho wezigalo, unecala elaliba nobundlobongela obubangela umsantsa phakathi kwabamhlophe nabantsundu. Enyanisweni, iBlack Power Movement yayingumbutho ekungelula ukuwuchaza owabakho ngelixa kwakusenzeka iinguqu kuluntu nakwinkcubeko kwi United States iphela, kwaye imbali yayo ibonisa kanye oko.

Abamnyama bahlala besamkela umvuzo ongaphantsi kowabamhlophe, behlala kwiindawo ezinezinga eliphezulu lolwaphulomthetho, kukho ucalucalulo ngokobuhlanga olwendeleyo nangani lwalungathethwa nje. Ulutsha lwabantsundu iCivil Rights Movement lwaluyibona njengombutho ojolise ekuveliseni iinguqu kwimpilontle yoluntu. Into olwaluyifuna kukukhawuleziswa kwenkqubo eyayinokwenza abantsundu balingane nabamhlophe, hayi nje kwezentlalo koko nakwezoqoqosho nakwezepolitiki. Kambe ke okona kubalulekileyo, iCivil Rights Movement babeyibona njengekekelele kakhulu kuluvo lwabamhlophe malunga namalungelo oluntu ngaphezu koluvo lwabantsundu.

Phakathi kwiminyaka yowe 1960s, kwakhula ukungoneliseki kwabantsundu sisantya seenguqu. Igama elithi 'black power' labakho ukususela kwiminyaka yowe 1950s, kodwa ngu Stokely Carmichael, intloko yeStudent Non-violent Co-ordinating Committee (SNCC), owalenza lanendumasi eli gama ngowe 1966.

SOSI 3B

Esi sicutshulwa singezantsi sichaza unobangela wokuba iBlack Panther Party isungule inkqubo yesidlo sakusasa.

Ngowe 1969, iqela Labantwana lahlalela isidlo sakusasa samahala ngaphambi kokuya esikolweni. Kwimenyu kwakukho ezi zidlo zilandelayo: chocolate milk, amaqanda, inyama, isiriyeli neeoreji ezifreshi. Oko kule mihla kwakunokuqhutyelwa kwindawo yokudlela yesikolo – kodwa urhulumente wesizwe wawungaboneleli ngokutya. Endaweni yoko ukudla kwakufumaneka ngezibele zeBlack Panther Party.

Ngaloo mihla, umbutho wezigalo iBlack Nationalist Party wawufumana izigxeko kwezosasazondaba kwaye isoyikwa ngabo babengaphatheki kakuhle yimiyalezo yayo ye-black power nasekuzibopheleleni kwayo ekupheliseni ugonyamelo lwamapolisa nokucinezelwa kwama America antsundu. Kodwa kubafundi ababefumana ukudla, ipolitiki yeBlack Panther yayinganiki mdla ngaphezu kokutya eyayibonelela ngako.

“Abantwana, nabaninzi lwabo lungazange lwadla sidlo sakusasa ngaphambi kobukho benkqubo yePanthers,” kubhala unondaba we *The Sun*, “bacinga ukuba iPanthers ‘idala ulonwabo’ kwaye ‘ilunge kakhulu’ ngokubenzela oku.”

Inkqubo isenokuba yayilungile, kodwa iinjongo zayo yayikukuphembelela iinguqu ngokukhuthaza ukuphila kwabantu abantsundu. Ukususela kowe 1969 ukuya kwiminyaka ye 1970s, iNkqubo yeSidlo sakuSasa sabaNtwana beSikolo samaHala yeBlack Panthers yondla ishumi lamawaka abantwana abalambayo. ... Amagosa esikolo akhawuleza akhupha iingxelo ngeziphumo zabantwana ababefumana isidlo sakusasa phambi kokuba baye esikolweni.” Inqununu yesikolo yeza kusixelela ngendlela ababe ngumahluko ngayo abantwana” uRuth Beckford, owayanceda kule nkqubo, wathi”, Abozeli eklasini, abasakhalazi nangezisu ezibuhlungu”. ... Ukutya yayingekophela kweenkqubo zoluntu zeBPP; yayinabele nasekuboneleleni ngeekliniki zonyango lwamahala ukuya kwii ambulensi zasekuhlaleni nakwiinkonzo zezomthetho.
