QUESTION 1

1.1 Read the extract below and answer the questions that follow.

TEENAGE PREGNANCY

Despite on-going awareness and deterrent attempts by governments and non-governmental organisations, teen pregnancy is still a major concern around the world. Annually, about 16 million girls between 15 and 19 years old become pregnant, while about one million girls under the age of 15 give birth. A further three million girls undergo unsafe abortions each year, according to the fact sheet of the World Health Organisation (WHO).
